

Dear Families

It's the start of a new year for all pupils and staff at Shrewsbury Academy. As a reminder, years 7 and 11 only, will return on Wednesday 4th September, with the rest of the school, years 8, 9 and 10 returning on Thursday, 5th September.

As predicted, our exam results have risen dramatically compared to previous years and we want to congratulate our year 11 leavers. Many of them achieved outstanding results and many exceeded their target grades. Results day was a fantastic experience for many students who have gained the grades they need for their next steps. It was lovely to share so many positive moments as students opened their results and saw their grades.

It is a really exciting time for Shrewsbury Academy. The new Haughmond building which will be home to our incoming year 7's is officially open. The building looks fantastic, bringing 14 new state of the art teaching spaces, a new canteen for year 7 students, and a new fully equipped SEND department, with an outside learning facility and a life skills area where students can learn to cook.

In February we will gain access to the extension, giving brand new science, maths and DT rooms as well as a much needed library and pupil resource area. What a positive year ahead it will be!

Mr Jim Taylor
Headteacher

Superb results for all involved! Our outgoing year 11 have performed brilliantly, reflecting the hard work, improved attendance and engagement in lessons that they demonstrated. It was an emotional day, in a positive way, with so many of our students gaining the results they needed to begin the next steps in their education. Well Done to everyone!

Shrewsbury Academy Website

Over the summer, our new website has gone live. It's much more modern and easier to use and will be kept fully up to date with all events in school.

All term dates, staff details, our policies, governors details, as well as clubs and contact details can be found on here.

There are still some aspects to be added but it is improving every day.

Please take a look as a first port of call if you require any information or guidance.

The web address hasn't changed, it is www.shrewsburyacademy.co.uk
